224.00*	158.00

* Gates marked with an asterisk are normally held in stock in both left and right hand configurations, others are available to order.

Notes and recommended treatments

Softwood: All Softwood gates are pressure treated green and require no further treatment, however, when dry, may be painted or stained, as required.

Iroko: Iroko is a naturally durable timber with a slightly oily texture and close grain. The appearance and durability will be improved with a periodical coat of teak oil.

BOUCHIER
