

PERGOLAS

This most popular walkthrough pergola is manufactured from selected, sawn softwood. After manufacture, the components are vacuum pressure impregnated for a long service life.

The size of the structure is 16' long x 7' wide overall, giving a clear walkway of 4' 4" (other sizes can be produced to specific order). Available in kit form, with pre-made infill trellis panels, it comes complete with all fixings and is easily installed within a few hours.

Price £415.00

This pergola is manufactured from selected, sawn softwood. After manufacture, the components are vacuum pressure impregnated for a long service life.

The size of the structure is 8' x 10' (other sizes can be produced to specific order).

The whole assembly is available in kit form and comes complete with all fixings. The upper part, slotting together to form deep rectangles, is easily constructed piece by piece, in situ.

Price £330.00
