

PLYWOOD

All sheets 8' x 4' (2.44 x 1.22) and manufactured using waterproof glue (W.B.P)

FINNISH SPRUCE - an ideal constructional plywood - relatively strong and light in weight, it has some small knot holes in the surface veneer. Requires painting or treating if used externally.

12mm	£19.00 per sheet
18mm	£27.00 per sheet

BRAZILIAN ELLIOTTIS PINE - used in construction - has large live knots, but the surface is filled and sanded so ideal for cheaper hoarding. Lends itself well to painting, but has a tendency to twist (needs nailing down!)

12mm	£16.00 per sheet
18mm	£21.00 per sheet

BRAZILIAN HARDWOOD - quite a soft hardwood, light in weight with an unblemished surface, paints well. Mainly used internally but equally effective for superior hoarding. Must be painted for outside use.

12mm	£21.00 per sheet
18mm	£29.00 per sheet

FAR EASTERN - identical to marine plywood in appearance and finish although true marine plywood has a different internal structure. A very hard, durable and heavy plywood made from a dense hardwood. The surface is unblemished, can be painted, but needs a good primer to seal beforehand.

5.5mm	£13.00 per sheet
12mm	£23.00 per sheet
18mm	£33.00 per sheet

Please note:

All of the above items are now in stock - specifications and prices may change from time to time, please enquire.

BOUCHIER

All prices are exclusive of VAT. Orders under £150 a min delivery charge of £20 will apply. Please enquire.
